Dear Mr. Newcomb:

This is in regard to the copy of your letter of June 5, 1972, to the Attorney General which you sent to Mr. Mark G. Eckhoff.

The notation concerning a roll of film referred to in Dr. Lattimer's article is part of a report entitled "Report of Inspection by Naval Medical Staff on November 1, 1966 at National Archives of X-Rays and Photographs of Autopsy of President John F. Kennedy."

Under the terms of 5 U.S.C. 552, subsection (b) (6), we do not furnish copies of the report because it is a part of "medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy" of the family of the late President Kennedy. We show it to the researchers whose applications to examine the autopsy material are approved by the Kennedy family representative, Mr. Burke Marshall, because it contains a descriptive list of the material. We do not, however, furnish copies to them.

Sincerely,

A handwritten signature in cursive script, appearing to read "James O'Neill".
