OFFICE OF THE CORONER

July 11, 1972

Mr. Fred T. Newcomb
4640 Noble Avenue
Sherman Oaks, California 91403

Dear Mr. Newcomb:

Thank you very much for your letter of 5 July 1972, and the copies of your correspondence with the Attorney General's Office and the National Archives.

It is most kind and gracious of you to supply me with this information, and you can be assured that I will handle these items in a confidential manner, recognizing the fact that you and Perry Adams are working together on a manuscript for publication.

I shall pay special attention to the items that you are concerned with during my study of the materials at the National Archives, and I shall let you know what my findings and opinions are as soon as possible following my review. Most probably, I shall not be conducting this examination until early August, inasmuch as I want to have everything well organized before the big day.

Thank you.

With kind regards.

Sincerely,

Cyril H. Wecht, M.D., J.D.
