

Dear Sylvia

Thanks for the long phone call the other day. I was very delighted to hear from you and hope to hear you are in good health and spirits soon.

Enclosed find page from JBK's testimony I got from Paul Hoch.

Those are PAUL'S NOTES. This INSPIRED ME TO CHECK all of JBK's testimony - the transcript against the VOL'S.

I haven't done this and don't know if I'll get the time but someone should. Just who in the hell is trying to "improve" her transcript?

Peace
Fred.
