

SYLVIA -

Thanks very much
for the Tex Observer piece
you wrote. I only wish
you had seen this article
by LATTIMER in Resident & Staff
Physician but I suppose you
had finished your article
before this was published.

If you wish - on chance you
may not have a copy of this - I'll
copy it for you. It runs approx
30 pgs.

Enclosed find my clumsy attempt
to get something from Justice.

Peace

Fred Newcomb

P.S. I liked your Tex Observer piece.
