

BONNIE MALONE, 831 North Crawford, Dallas, Texas, advised that following the assassination of President JOHN F. KENNEDY, she had observed LEE HARVEY OSWALD's picture on television and in the press, and she had remarked to her husband that she believes she has observed OSWALD in the past. She stated that she has been unable to determine where she saw OSWALD, and, in fact, she is not sure that it was OSWALD that she had seen in the past. She stated that if she had seen OSWALD in the past, it was possibly at the washeteria located at the intersection of Beckley and Zang Boulevard, in the Oak Cliff Section of Dallas, in the close vicinity of the MALONE residence.

Mrs. MALONE stated she could furnish no further information regarding her having possibly seen OSWALD prior to the assassination of President KENNEDY, and she could not estimate when she may have seen him.
