Widow of Oswald Expects 3rd Child

DALLAS, Tex. (AP) — The former Marina Oswald, 24, is expecting her third child, and her first from her present marriage to Kenneth J. Porter.

Mrs. Porter

The widow of Lee Harvey Oswald, named by the Warren Commission as the assassin of President John F. Kennedy, and Porter, 28, were married June 1, 1965.

Oswald, who was shot to death by night club operator Jack Ruby while in custody of the Dallas police, left two small children, June and Rachel.

Porter has two children by a previous marriage but they live with his former wife.

Porter said yesterday he has quit his job at an electronics firm and that the couple's home is for sale or lease. He said they had no definite plans but had considered moving to Greenville, 60 miles north-east of Dallas, where he has a number of relatives.
