Date 11/29/631

GROVER CLEVELAND GILLETTE, who resides at 5315 Mannette Street, self-employed as a Certified Public Accountant, advised he and his wife, who have been married for three months, are close friends of VIRGINIA ANN HALL, 13305 Flagstone Street, who is a nurse for the Dallas County Health Program. GILLETTE was present when Mrs. HALL was interviewed previously by an Agent of the FBI and GILLETTE stated he told Mrs. HALL that since OSWALD's wife was interviewed by her seeking medical treatment for her children, that Mrs. HALL should clear through her supervisor at the Health Department before furnishing any information. Mrs. HALL stated she did not know very much about the OSWALDS, that Mrs. OSWALD had gone to her place of employment in company with a woman who acted as an interpreter. GILLETTE advised he and his wife do not know OSWALD and did not know anything about OSWALD or his wife.
