

Mr. VERNON E. BROCK, 9205 Cels Street, White Settlement, Texas, furnished the following information:

BROCK formerly did a lot of work among high school boys in training them for the Golden Gloves boxing tournament which is held each year in Fort Worth. He recalls that about 1955 he had a young boy by the name of OSWALD, and he believed that he was a student at Arlington Heights High School. BROCK trained a number of boys that year and helped them in preparing themselves to box in this tournament. He stated that OSWALD attended only a few classes, and as well as he can recall, OSWALD dropped out and never boxed in any of the Golden Gloves Tournaments. BROCK advised that he never closely associated with OSWALD and was unable to furnish any information as to his activities or associates.
