Shortly after 8:00 AM November 24, 1963 I called Chief of Police JESSE E. CURRY and was unable to reach him. At 8:15 AM, Chief JESSE CURRY called me and first mentioned another matter regarding the evidence which his Department had given us for the FBI Laboratory. I then relayed to him the following, which was given to Security Patrol Clerk VERNON R. GLOSSUP by an unknown caller at 2:30 AM on November 24, 1963: "I represent a committee that is neither right nor left wing, and tonight, tomorrow morning, or tomorrow night, we are going to kill the man that killed the President. There will be no excitement and we will kill him. We wanted to be sure and tell the FBI, Police Department, and Sheriff's Office and we will be there and we will kill him."

Chief CURRY advised me that he had already received this information from one of his officers and that he was taking all precautions. He stated that he had changed his schedule for the moving of OSWALD. He stated he was not going to give this out to the press and that he had two armored cars and that OSWALD would be placed in one of the armored cars and that both of them would go out, which would mean that one of the cars was being used for diversion purposes.

I mentioned to Chief CURRY that according to the employee who received this information from the anonymous caller, that he seemed very calm while talking and could have possibly been reading the statement; he had a very mature sounding voice, and possibly there was another voice heard in the background.
