RUTH PAINE, 2515 West Fifth Street, furnished the following information:

She advised that after reflecting on the time and date she had delivered two Russian language books to the Irving, Texas, Police Department, she feels she may be confusing two trips. She stated that she was in the Irving Police Station on two dates delivering letters for MARINA OSWALD. She stated that these dates, she is sure, were Friday and Saturday, November 29 and 30, 1963. On the second occasion, she delivered, in addition to the letters, the two books and a note written by Mrs. PAINE to MARINA. The note and several letters received by Mrs. PAINE for MARINA were in a brown 5" x 7" envelope.

Mrs. PAINE stated that after thinking the matter over again, she feels that the time she delivered the letters and the books to the Irving Police Station was a few minutes after 12 o'clock noon on Saturday, November 30, 1963.
