Date 6/4/64

ROBERT A. SURREY, residence, 3506 Meadowood, Highland Park, business, 2700 Haskell Avenue, Dallas, furnished the following information:

On Monday night, April 8, 1963, at about 9:00 to 9:30 PM, SURREY arrived in the area of the residence of General EDWIN A. WALKER, 4011 Turtle Creek Boulevard. SURREY was proceeding up Avondale Street in order to turn into the alley and enter the WALKER residence by the alley entrance. Prior to turning into the alley, he observed a 1963 dark brown or maroon, four-door Ford, parked on Avondale with two men sitting in it. Rather than turn into the alley, SURREY proceeded around the block and entered the Mormon Church Parking Lot, located on the property adjoining the WALKER residence to the north, and parked his car in this lot. He then went to a position in one of the neighboring yards where he could observe the two men. He observed them get out of the car, walk up the alley and onto the WALKER property and look into windows of the WALKER house. At about this point, SURREY went to their automobile, where he checked the rear of the car, and observed there was no license plate on the rear. He then opened the door and looked into the car and opened the glove compartment. He observed nothing in the car or glove compartment which would help identify the occupants. He then went back to his car and drove to a position where he could observe the 1963 Ford leave.

About a half hour after first observing this car, the two men returned to it and drove off down Turtle Creek Boulevard, then south to Pacific Street. At this point, SURREY stated he was unable to continue following this automobile.

SURREY stated he had never seen either of these two men before or since this incident, and was of the opinion that neither of these two men was identical with LEE HARVEY OSWALD. He described one of the men as a white male, in his 30's, about 5'10" to 6' tall, and weighing about 190 pounds. SURREY described

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

the second individual as a white male, in his 30's, about 5'10" to 6' tall, and weighing about 160 pounds. He stated both men were well-dressed in suits, dress shirts and ties.

Mr. SURREY stated he is not certain he could identify either man if he ever observed them again.

On the night of April 10, 1963, SURREY stated he was not at WALKER's residence, but received a call from General WALKER shortly after the shooting incident, or shortly after 9:00 PM. He stated he proceeded from his residence directly to WALKER's residence, arriving there at about the same time as did the first police car. SURREY stated he observed one of these uniformed police officers find a mushroomed bullet in the room adjoining that where General WALKER had been sitting when the shot was fired through the window.

SURREY was shown a photograph, which is Commission Exhibit No. 5, Federal Bureau of Investigation Inventory No. 369, and which depicts the rear of General WALKER's residence and a 1957 Chevrolet.

It appears that this photograph was mutilated, in that the area on the back of the Chevrolet where the license plate would normally be found has been torn out.

SURREY stated this car appears identical to one owned and operated by CHARLIE KLINE, a frequent visitor to General WALKER's residence. SURREY stated KLINE resides in Irving, Texas, and is employed by Zenith Instruments.
