

H. M. HART, Detective, Criminal Intelligence Section, Dallas, Texas, Police Department, advised that during the past month he has compiled a list of automobiles observed in and around the residence of General EDWIN A. WALKER, 4011 Turtle Creek Boulevard, Dallas. These cars had been observed by HART on various occasions during this period of time.

Upon checking this list, HART stated he had no information that a 1950 white or beige Ford or a 1958 black over white Chevrolet, two-door sedan, had ever been observed by him. HART explained that some of the cars he had observed had been parked in the church parking lot, which adjoins General WALKER's property to the north.

HART reviewed information compiled by the Intelligence Section since December, 1962, concerning activities in and around the residence of General WALKER and of General WALKER and his associates. This review failed to show any knowledge by the Intelligence Section of a 1950 white or beige Ford or a 1958 black over white Chevrolet.
