

ABOUT ALIARD K. LOWENSTEIN:

STONE/
LOWENSTEIN

"He brought more young people into American politics than any individual of our time"—David Broder

"He was the supreme agitator of his day.... His exalted vision of democratic potentiality and his imperturbable confidence in human reason left a rich legacy to which this book bears moving testimony."

—from the Foreword by ARTHUR SCHLESINGER, JR.

"Of all the partisans I have known from the furthest steppes of the spectrum, his was the most undistracted concern, not for humanity—though he was conversant with big-think idiom—but with human beings."

—WILLIAM F. BUCKLEY, JR.

"What he sought was the framework for a social order in which there would be infinitely wider opportunity to live more gratifying lives. For him it often seemed that the search for that condition was what gave immediate purpose and coherence to existence. Beyond the search lay vast questions eluding any schematic answers."

—from the Introduction by JAMES A. WECHSLER

"Al Lowenstein's unswerving devotion to his fellow man will ensure him an impregnable niche in the annals of contemporary American history."

—MAHIN LUTHER KING, JR.

"Al Lowenstein was a nonstop political activist, a spokesman for the liberal-left, and those of us who find his views sympathetic must especially miss him. He was also a notably good man, and reading this book made me feel once again how much one valued him as an ally and a friend."

—IRVING HOWE

"As much as anyone I know, he proved that one person truly can make a difference."

—SEN. EDWARD M. KENNEDY

LOWENSTEIN: ACTS OF COURAGE AND BELIEF

**EDITED BY GREGORY STONE
AND DOUGLAS LOWENSTEIN**

*Foreword by
Arthur Schlesinger, Jr.
Introduction by
James A. Wechsler*
