

Philadelphia Bulletin

1/3/67 page 3

of Bernard  
Garzer Dallas AP 1/3/67

Ruby also complained <sup>his</sup> cancer was  
induced secretly in jail (via Sgt

Elmer Gertz). Details came from

Earl Ruby & Elmer Gertz &  
other members of family.

"Ruby when experienced opportunity  
leaving <sup>early</sup> hospital thought premature,  
He took <sup>this</sup> as proof  
mustard gas seeped in cell when cancer

diagnosed  
certain had been  
injected."
