Jury Holds Jack Ruby Is Sane

DALLAS, Tex. (AP)—The Jack Ruby murder case, plagued by legal complications and wrangles among defense lawyers, appears finally to be on its way to the Texas Court of Criminal Appeals.

Ruby's conviction and death sentence for the Nov. 24, 1963, killing of Lee Harvey Oswald has not yet technically progressed beyond the trial court level. Oswald was named by the Warren Commission as the as-

sassin of President John F. Kennedy. Kennedy was shot Nov. 22, 1963.

But one major obstacle to the movement of Ruby's trial was removed Monday when a Dallas District Court jury ruled that the 55-year-old former strip joint operator was legally sane.

The Texas Court of Criminal

Appeals—the highest court in the state for noncivil cases—had indicated that it would not take up the appeal of the murder conviction until the sanity issue was settled.

Ruby was convicted of murder March 14, 1964, in the same court—Criminal District Court No. 3—that adjudged him sane.
