Texas Court Hears Appeal Of Ruby's Death Sentence

By GARTH JONES

AUSTIN, Tex. (AP) - The Texas Court of Criminal Appeals considered opposing arguments today that Jack Ruby either was an "avenging angel" or "a man gripped by a rage that overwhelmed him,"

The state's highest court for state criminal cases heard 31/2 hours of arguments Friday from nine attorneys on Ruby's appeal of the death sentence given him for killing Lee Harvey Oswald, named by the Warren Commission as the assassin of President John F. Kennedy.

The court's decision on the Ruby appeal will not be known until fall. The court goes into summer recess today until Oct. 3. Attorneys will be allowed until late August to submit additional written briefs.

Ruby was not present. He has been confined in the Dallas County jail since a Dallas District Court jury sentenced him to death in Texas' electric chair following his trial in March trial judge, Dist. Judge Joe 1964.

James Williamson, another district attorney, assistant claimed the defense tried to make Ruby "an avenging angel" and said they did not try to get the trial delayed because "They wanted it tried while emotions were still up in his (Ruby's) favor and the memory of John Kennedy was still warm.'
