Hear Arguments in Ruby's Appeal

AUSTIN, Tex. (AP) ~~AP~~ The Texas Court of Criminal Appeals considered opposing arguments today that Jack Ruby either was an "avenging angel" or "a man gripped by a rage that overwhelmed him."

The state's highest court for state criminal cases heard 3½ hours of arguments Friday from nine attorneys on Ruby's appeal of the death sentence given him for killing Lee Harvey Oswald, named by the Warren Commission as the assassin of President John F. Kennedy.

The court's decision on the Ruby appeal will not be known until fall. The court goes into summer recess today until Oct. 3.
