**XEROX**

Dear Participant in our Demand Reprint Program:

We enclose, with pleasure, a royalty check and report for 1975 demand reprint sales of your books.

Royalties have been computed at the rate indicated on the statement, excluding special charges such as custom bindings, air-mail postage and the like. When a title is listed twice, one line indicates microfilm sales and the other xerographic sales. Usually the smaller sale and lowest price will indicate a microfilm sale. Please note, too, that if one of your titles was canceled from our program during the latter part of 1974 or during 1975, sales from customer orders filled before the effective cancellation date are reflected in the royalty report and check.

We have continued with our expanded promotional effort throughout 1975 as indicated by the many subject catalogs now available on the enclosed, Checklist of Available Literature. We will also be publishing a 1976 BOOKS ON DEMAND catalog within the next few weeks. With the publication and mailing of the catalog, we will be announcing a substantial price increase. The increase will be reflected in the 1976 royalty report and check.

Many of the participants in our program continue to find the enclosed reply cards useful in referring customers to us who request their titles. In addition, publisher announcements of our service, or lists of titles available from us in their regular catalogs have been mutually beneficial and effective in stimulating sales. If you would like a supply of the reply cards or any of the catalogs, please let me know.

We appreciate your continued cooperation and look forward to a bright and growing future for the demand reprint program.

Sincerely yours,

*Jeanette Oberle*
