Dear Miss McCaslin,

Thank you for your letter of 7 February 1969 requesting my agreement to have the Subject Index to the Warren Report and Hearings and Exhibits included in your OP Book Program. I am pleased to have your suggestion.

From time to time I receive urgent requests for the Subject Index. I have a xerox copy which I make available on loan, for re-copying, to the individuals who wish to borrow it. It will be more convenient if I can merely refer such persons to University Microfilms, and less expensive for them to obtain a bound xerox copy.

I have also supplied such individuals with a list of errata, and I would hope that this would be included with each copy of the Subject Index supplied by University Microfilms. A copy of the errata list is enclosed herewith.

Also enclosed is the signed agreement, as you requested.

I should be grateful to receive your assurance that the list of errata will be included in each xerographic copy of the Subject Index; if possible, I should also like to see a xerographic copy.

Please be assured that I will gladly be of any further assistance, if I can, and that I am gratified at the prospect of having this work in print again.

Yours sincerely,

Sylvia Meagher
