Mr. Monroe O. Moea  
275 Estates Street  
Livermore, Calif.

Dear Mr. Moea,

The situation has changed unexpectedly since I wrote to you a week ago.

I was approached with a request for permission to provide xerographic copies of the Subject Index and have agreed that such copies may be made and orders filled. You may therefore obtain a bound xerographic copy, probably at much lower cost than would have been involved under the arrangement I suggested, from:

Miss Ann L. McCaslin  
Supervisor, Books and Periodicals

Yours sincerely,
