

Dear Mrs. Meagher,

I have am very interested in the Kennedy Assassination and its findings. I have just sent to Washington for a set of the Warren Report and 26 volumes. I would like to obtain a copy of your book, Subject Index to the Warren Report + Hearings + Exhibits. I have ~~just~~ written to Scarecrow Press, and they told me it is out of print. I am writing to find out if you have a copy that you could sell to me. I have read your other book, Assessories After the Facts, and have really enjoyed it. I would appreciate a reply. Thank you.

Sincerely yours,
Clyde Kintee
