Mrs. LULL informed that during the day time her daughter is employed by a bank, she believes named THE FIRST SECURITY BANK, located about one mile from Monterey Park, California.

Concerning DUFF, Mrs. LULL advised that in the few conversations she has had with him he has never mentioned having any friends in Texas, nor does she recall him ever mentioning anyone named OSWALD, nor did he ever discuss politics of any kind with her.

Mrs. LULL stated that she could think of no other information which would aid in the location of her ex-son-in-law.
