

ALEXANDER KLEINLERER, 3542 Kent, was interviewed at Loma Industries, Inc., Highway 81 South, where he is employed as a foreign representative for that company. KLEINLERER is a naturalized U. S. citizen, coming to the United States on May 7, 1956, from France.

KLEINLERER met LEE HARVEY OSWALD through ELENA HALL, Trail Lake Drive, Fort Worth, approximately 14 months ago. ELENA HALL was at that time divorced from her husband, JOHN HALL, and KLEINLERER was dating her at that time. ELENA HALL subsequently re-married JOHN HALL in the fall of 1962. At the time KLEINLERER met OSWALD and his wife, MARINA OSWALD, approximately September, 1962, KLEINLERER was dating ELENA HALL. The circumstances of the meeting were that a GEORGE BOUHE of Dallas brought OSWALD and his wife to Miss HALL in Fort Worth to possibly get Miss HALL to help or find some aid for Mrs. OSWALD in connection with her teeth. Miss HALL was a dental lab technician.

KLEINLERER stated that it is his recollection that Miss HALL proposed to Mrs. OSWALD that she, Mrs. OSWALD, and the baby live with her at her home on Trail Lake Drive. KLEINLERER said that OSWALD did not stay there, and it is his belief that OSWALD worked in Dallas during this time. In late October or early November, KLEINLERER received notification from OSWALD's wife that she was moving out of Miss HALL's home. Miss HALL was in New York at the time, and KLEINLERER had the key to her home and was looking after it in Miss HALL's absence. KLEINLERER went over to Miss HALL's residence to lock the doors and see that everything was all right when OSWALD came to move his wife. KLEINLERER stated that at this time when OSWALD came to move his wife, he slapped her in the face and caused her to go into another room crying. KLEINLERER stated that from others he got the impression that OSWALD mistreated his wife terribly. He also stated that in his opinion Mrs. OSWALD was lazy and very dirty in her housekeeping. He gained this impression from going to the HALL house occasionally to check and see that everything was all right. On many occasions he found that Mrs. OSWALD would sleep until noon every day.
