TROY EUGENE WEST, 5314 Colonial Street, Dallas, Texas, was interviewed at the Texas School Book Depository (TSBD) building, 411 Elm Street, and at the Dallas FBI Office and furnished the following information:

Mr. WEST voluntarily agreed to have his photograph taken and photographs of him were obtained at the Dallas FBI Office as follows:

1. A full-face full-length photograph
2. A left face full-length photograph
3. A right face full-length photograph.

Mr. WEST stated he was employed at the TSBD as a mail wrapper and as such generally worked at the mail rack located on the first floor of the TSBD building. He advised in addition to his duties as a mail wrapper he made coffee for the employees working for the TSBD. He advised on November 22, 1963, he worked at the mail rack on the first floor of the TSBD building and never left the first floor of this building on this date. He stated when he went to work on November 22, 1963, he prepared coffee as he usually does, and at the time President KENNEDY was shot on this date he was preparing another pot of coffee for the employees of this building. He advised he was alone at the time working at the coffee pot located on the first floor of the TSBD building.

Mr. WEST stated he did not own a red and green colored shirt and had never worn such a shirt to work.
