

On March 14, 1964, JAMES L. SIMMONS, 1325 Rosemont Street, Mesquite, Texas, telephonically advised SA ROBERT P. BUTLER that he is one of ten witnesses who, while standing on the Commerce Street viaduct, observed the assassination of President KENNEDY on November 22, 1963.

SIMMONS advised that he furnished his name as did the other people on the viaduct to an unknown man who he thought to be a reporter. He stated that none of the ten persons in the group has been interviewed concerning the assassination to his knowledge. SIMMONS stated that he and his friends are all employees of the Union Terminal Company, 500 South Houston Street, Dallas, with the exception of a Dallas police officer who was standing with his group on the viaduct.

SIMMONS requested that his name not be mentioned to the other witnesses or to his employer in connection with this call. Following is the list of names as furnished by SIMMONS:
