On July 6, 1964, ~~GLORIE WILLIAMS~~, 4814 Mill. Place, Dallas, Texas, telephonically contacted the Dallas Office of the Federal Bureau of Investigation, at which time she advised Investigative Clerk ROBERT G. RENFRO that on the previous Saturday night, July 4, 1964, a white man and woman contacted her neighbor at about midnight in an attempt to locate WILLIAMS. She stated this man and woman showed her neighbor a photograph taken on the street near the site of the assassination showing WILLIAMS and a group of individuals watching the Presidential motorcade. According to WILLIAMS, this man and woman reportedly told WILLIAMS' neighbor they were from New York and wanted to talk to WILLIAMS in connection with the photograph and she presumed for any information she might have concerning the assassination of President JOHN FITZGERALD KENNEDY.

WILLIAMS advised she did not know anything about the assassination except that ~~she did hear the shots~~ but did not know where they came from and could furnish no information concerning the identity of the assassin.
