COLD WEATHER STILL PLIGUES COUNTRY, NEW YORK:A blizzard lashed snow shackled Western NewYork Tuesday triggering a state of emergency, in drift buried Buffalo. The coldest winter on macord in history kept a sapping dnamieon energy in the Midwest and Fast and the number of idured workers mounted above 2 midition: Mere thay 160 inches of snow have fallen on Buffalo so fer this winter. The number of persons laid off or otherwise idlad across the nation, because of the long string of winter storms and weeksof harsh cold, mounted to batween 2 and 2.3 million. Congress worked to complete. Prisident Carters energency naturalgas legislation, but in a move that could dslay final action, the House Democratic leadership dacided to stick with a House Committees version, instead of acting on one passed Monday by the Senate. The legistation was designed to ease the shift of natural gas across state borders to relieve the energy crunch in hardest hit states. January weather records in dozens of citiefs and was the gotdestion'record.
