WASHINGTON: The Mexican president Jose Lopez Portillo offered Tuesday to help the United States and Cuba restore diplomatic relations, but said Washington and Havana seem ready to take that step on their own. In a speech to the National Press Club, Lopez said Mexico believes the United States and Cuba must have healthy relations and Mexico which has diplomatic relations with Cuba and would bepleased to act as intermediary. Washington and Hawana broke relations in 1961. He also urged the United States to restore full sovereign and national dignity to Panana by negotiating a new canal treaty acceptable to the Latin American nation. President Carter has already dispatched his negotiator on that project. Lopez earlier conferred more than an hour with Carter, the second and last round of neetings in a visit that seemed to designed restore and harmony to U.S.- Mexican relations. Aides said the Carter - Lopez talks ranged over economic relations, trade, emissaid the Carter - Lopez talks ranged over economic relations, trade, emissaid in Mexico.
