

8 March 1976

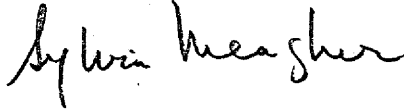

Dear Mr. Romberg,

Thank you for your letter dated 4 February (probably in error for 4 March?) and for the copy of MONITOR. It is certainly a praiseworthy effort. I would urge you if at all possible to use heavier paper so that the lettering does not show through on the other side. That would contribute a great deal to the appeal of the publication to the eye.

I am especially grateful for the announcement of the paperback edition of Accessories and will look forward to reading your review in the next issue.

Congratulations on the inauguration of MONITOR and all good wishes for success,

Yours sincerely,

P.S. I hope that you will send a flagged copy of MONITOR to Ms. Susan Bolotin of Random House, 201 East 50 Street, NYC 10022
