Dear Sylvia:

Yes, I loved the Kelly books, and here they are back to you, along with a new book we've just brought out that I love and hope you may enjoy.

Six weeks or so on Fire Island sounds wonderful-- a good vacation to you!

Best wishes,

Ginger Curwen

P.S. I had sent you a note some time ago about the Kelly books among other things and have a sinking feeling you didn't get it as I (who should know much better) had sent it to 302 Eighth Ave.!

P.P.S. You may have gotten a copy of David McCullough's piece - here is an original in full.
