The Fact

Accessories After The Fact:

The Warren Commission
The Activities & The Report

by Sylvia Meagher

"Sylvia Meagher is the only person in the world
who really knows every item hidden in... and all the
items missing from... the 26 volumes of Hearings
and Exhibits of the Warren Commission.

"Of all the books written on the Kennedy
assassination, *Accessories After The Fact* comes
closest to being the reference book on the subject."

—from the introduction by ALLEN SYMONS
