Dear Mr. Frazier,

My friend Leo Sauvage has told me of your unsuccessful search for my book Accessories After The Fact. I am very sorry that I am unable to help you. The book was published in 1967 and was remaindered several years ago. Thus, it is out of print and I have only my personal copies. I would hope that you would find a copy in a public library or a university library. You might also write to my publishers and ask if they do not have a copy for you--write to the Bobbs-Merrill Company, 3 West 57 Street, New York, N.Y. 10019.

I would be interested to know what reply you receive from Bobbs-Merrill, if you decide to write them. And, needless to say, both M. Sauvage and I would be very interested indeed to hear of the results of your research, in due course.

With regrets and best wishes,

Yours sincerely,

Sylvia Meagher
