By communication dated April 7, 1964, the San Antonio office advised that on that date PERVEY C. BRADFORD, Austin, Texas, had advised that while he, his wife, Mrs. BRADFORD, and Mrs. BRADFORD's brother-in-law, H. B. WHITECOX, 5017 El Campo Street, Fort Worth, Texas, were in Morgan's Gun Shop, 1401 Jackshore Highway, Fort Worth, Texas, on Friday, at approximately 3:30 PM, just prior to the Texas - SMU Football Game, which was played on November 2, 1963, an individual came into Morgan's Gun Shop and inquired about and purchased the last remaining rifle ammunition of an unrecalled caliber that MORGAN had in his possession at that time.

Mr. BRADFORD advised that he and his wife determined the individual was LEE HARVEY OSWALD from photographs which had appeared in Life Magazine. Mr. BRADFORD indicated he recalled this individual who very strongly resembled the Life Magazine photographs as being rude, impertinent, and who stopped in front of BRADFORD, who was examining old guns for possible purchase at the time. BRADFORD indicated that this individual purchased approximately fifteen or twenty rifle cartridges and departed alone. Mr. BRADFORD did not see a vehicle or anyone in the company of this individual.
