MR. WAYNE E. MORRIS, owner of Morgan's Gun Shop, 1401 Jacksboro Highway, stated that during the deer hunting season, he has a number of customers who buy Western Cartridge Company ammunition for a 6.5 millimeter caliber rifle. He stated there were a good many of these Italian made rifles in this area. He stated about the only time he had a demand for this type ammunition was during the deer hunting season, November, December, and January. He stated that he was a very close friend of MIKE HOWARD who is a Secret Service agent and because of his friendship, followed very closely anything related to the assassination of President KENNEDY. He stated that he is positive that LEE HARVEY OSWALD was never in his store. He explained that he knew most all of his customers and feels sure he would have remembered OSWALD had OSWALD been in his store on about November 2, 1963. He stated that he did not recall selling any 6.5 millimeter ammunition to any stranger.
