Mr. H. V. WHITSON, 5017 El Campo, Fort Worth, Texas, stated he has lived at that address for the past thirty-six years.

During the period about 1956, he was a salesman on a used car lot owned by CLIFF MAGERS at 901 North Main Street, Fort Worth, Texas. About 1956, he noticed a young boy about sixteen years of age riding a bicycle. He saw this boy approximately five or six times in a neighborhood Gulf Service Station. This Gulf Service Station is located almost directly in front of his home, but the service station is on Camp Bowie Boulevard. The owner of this service station, J. C. SWAFFORD, told him this boy and his mother, Mrs. OSWALD, lived at 4936 Collinwood Avenue, which is about one block distant from his home, but is partially visible from the Gulf Service Station. As he recalls, this young boy was always alone and was usually getting air for his bicycle tires when he saw him in the Gulf Service Station. WHITSON stated he never had occasion to talk with this boy. WHITSON also noticed a woman sitting on a bus bench in front of this service station and the service station owner told him it was Mrs. OSWALD, the mother of the boy. As he recalls, he saw Mrs. OSWALD two or three times. He is not sure he could have identified LEE HARVEY OSWALD or Mrs. OSWALD at this date. He stated Mrs. OSWALD and son lived at the above address for three or four months. After they moved from the neighborhood, he has never seen Mrs. OSWALD or her son.

Shortly after the assassination of President KENNEDY, the Gulf Service Station owner, Mr. SWAFFORD, called WHITSON's attention to the fact Mrs. OSWALD and her son, LEE HARVEY, had lived at 4936 Collinwood Avenue for three or four months about 1956. He then recalled having seen LEE HARVEY OSWALD on a bicycle in his service station on some five or six different occasions.

WHITSON stated that LEE HARVEY OSWALD, to his knowledge, had never frequented the used car lot owned by CLIFF MAGERS.
