J. C. SWAFFORD, 1051 Haskell, Fort Worth, Texas, stated he operated the Gulf Service Station at 5001 Camp Bowie Boulevard in Fort Worth for the past 10 years. In April 1955 Gulf opened a new station there.

During the summer of 1956 or 1957 Mrs. OSWALD and her son, LEE HARVEY OSWALD, moved into one of the apartments at 4936 Collinwood Avenue. The apartment house is across the boulevard about one hundred yards from the Gulf Service Station but is visible from the service station. SWAFFORD stated LEE HARVEY OSWALD was about sixteen years old and came in his station on two or three occasions to get air in his bicycle tires.

Mrs. MARGUERITE OSWALD caught her bus in front of his service station. She did not own a car. There is a cement bench at the east corner of his station for bus patrons. Mrs. OSWALD would sit there. If it were raining, she and other bus patrons would come inside his station and wait for the bus. That is how he met Mrs. OSWALD. She was very talkative. She told him she worked for some downtown store, but he cannot now recall the place.

He never saw Mrs. OSWALD and LEE HARVEY OSWALD together.

He believes Mrs. OSWALD stated LEE HARVEY OSWALD was her son.

LEE HARVEY OSWALD was always alone. LEE HARVEY OSWALD never said anything unless SWAFFORD spoke to him. On these occasions LEE HARVEY OSWALD would answer but never did any talking. Mrs. OSWALD and her son, LEE HARVEY OSWALD, only lived at 4936 Collinwood for about two or three months. He has never seen either of them since they moved.

About two to three years later an article in one of the Fort Worth newspapers carried LEE HARVEY OSWALD's

picture and the story stated LEE HARVEY OSWALD had moved to Russia.

When the assassination of President KENNEDY occurred, he read that LEE HARVEY OSWALD had been arrested. This was the first time he knew that LEE HARVEY OSWALD had returned from Russia.

He stated to his knowledge, LEE HARVEY OSWALD had no friends while living at 4936 Collinwood Avenue. He stated he had no idea who might remember Mrs. OSWALD, unless it would be someone who lived at 4936 Collinwood during the time the OSWALDS lived there.
