Subject: Exhibits on the Assassination
of President John F. Kennedy

Dear Sir,

I should be grateful to be informed of the arrangements which should be made in advance for a visit to view the materials now available for public examination. I hope to make a one-day visit to the Archives. A major item of interest is the Zapruder films of the assassination. Would it be possible to see a screening of those films? Are all other items now available?

It is my hope to make the visit on a Saturday but I realize that the Archives may be closed on weekends. I trust that you will indicate the days and times for public visits so that I may proceed with plans for a trip.

With grateful thanks for your assistance,

Yours sincerely,

(Mrs.) Sylvia Meagher
