

9/10/1

Your notes on film were left at 43rd St. I am to pick them up 9/11 AM.

Will you please forward one copy to Mrs Field's group and one to Mr. Lobenthal whose new address I don't have. I shall be much obliged. Under separate cover I have sent a copy to Salandra. Copies will also be mailed to liberation, Mc Donald & E square. Maybe I can stir up some controversy.

If you want additional copies I shall be glad to make them.

Yours

J. Starn

I curtailed the letter to Dr. Rhoads to a mere thank you on the theory that anything more could possibly cause offense and abridge what chance there might be of seeing additional material
