INSTRUCTIONS

This form is to be used in replying to requests for printed materials. Whenever a single item is requested on the incoming document, the item number column appearing on the face of this form is to be checked to indicate action taken or to be taken. When more than one item appears on the incoming document, each is to be numbered and keyed to the item number column appearing on the face of this form to indicate action taken or to be taken on each. After all requests have been acknowledged, this form should be attached to the incoming document, together with the desired material; where applicable, and returned to the requestor.
