

Sunday 8 pm 10/26/69

Phone call from Pearl Wasserberger

After return from N Brunswick
received "progress report" from
Pearl. R had had dinner with
A. Friday night and again
Sat. and stated to him certain
conditions under which she
might return to him (eg
psychiatric help, freeze on funds
& agreement all future expenses).
Said she still had mixed feeling
4 A, seemed "happy" when about
to meet him. But then
her 2 brothers (Stephen & Allan)
translated the Hebrew letters
in brief-case, being cc of
A's letters to Helenka since
returning to USA in Sept 1969.

The letters were pornographic
in content, promised that in
3 mos. A would be ± A in
over

Europe as his wife. Also was
letter to H's 14-yr-old
daughter, transport of his
passion for H & therefore their
child.

Upon hearing translations
these letters R was
wracked with weeping
pain disillusion and
humiliation - saying
now that A was evil,
evil, had always been evil.
Her resolve now very firm.
Will try 10/27/69 freeze
all holdings - inform
all creditors, so will put
"stop" on any A attempt
leave USA, etc. Will do
him every possible damage.
