

Unidentified Man Is Found Hanged in Central Park

A dogwalker strolling through Central Park just before 8 A.M. yesterday found a man hanging by a belt from a tree just off Central Park West at 63d Street, according to the police of the Arsenal station.

The dead man, an apparent suicide according to the police, has not been identified. He was described as white, in his 30's, 5 feet 9 inches tall and about 170 pounds.

He was wearing a brown jacket, gray trousers, brown shoes, a white T-shirt and a maroon sweater. In his pockets the police said they found \$75.

Mr. Nixon

Let's have done with wiggle and wobble

These token troop withdrawals and phony draft reductions—they are *not ending* the Vietnam war. They're soothing syrup to keep us quiet back home, while the slaughter goes on.

More than 9,000 American boys have died in Vietnam since YOU took over, President Nixon. After your promised withdrawals, 484,000 troops will still be left—to kill and be killed.

Jan. 1, 1961, through Sept. 20, 1969 witnessed:
TOTAL AMERICAN DEAD45,352
TOTAL AMERICAN WOUNDED252,059

Stop the gimmicks and sweet talk, Mr. President, and **MAKE PEACE NOW!** Insist on a coalition peace government in Saigon; and carry out a total withdrawal of U. S. forces in Vietnam.

On Oct. 15, as part of the Vietnam Moratorium, students and teachers throughout America will leave their classes to talk with their fellow-Americans about the madness of the war. Listen to them, President Nixon, when they ring your doorbell!
