Dear Miss Meagher

This 79 yr old woman wept in her tea as she read your letter of the demise of The T.M.O. magazine. I keep looking at your check that I am reluctant to cash because I keep thinking that maybe, just maybe the T.M.O. will come to life again. I have felt since the beginning that it would have a short life. it was too much for the underdog, too much for the truth to last very long. most of us have been so brain-washed, that we do not want to hear or see the truth. I am thankful to Mr Arnone for his nice letter to me sometime ago. I hope he will keep on with the good work of fighting injustice and oppression. man is a vicious animal. man is supposed to be god's greatest and most perfect creation, but as I look at my cat & my dog, I wonder -

Thank you for your attention Miss Meagher
