

Went to Miami Friday January 12, 1968

returned NYC Sunday " 14 "  
put before midnight. Despondent at  
situation, felt all hope gone, feared  
imminent phone call from Miami.

Monday 1/15/68 at 8:30 am  
Suzette Thomas (?) Dilber called, asked  
me tell Arnori she very ill & could  
not keep dinner date that evening.  
Said afraid phone Arnori directly  
for fear his wife would answer, as  
happened "last time," and might  
misunderstand the dinner date.

Wm duly transmitted message at  
10:15 am. Arnori said, Ruth knows  
about it, no need for secrecy, was  
going ask Suzette get photos for TMO  
from AP — needed give her  
the necessary background and  
instructions, hence, dinner.
