My dear Sylvia, Aug. 22, 1968

Yesterday I visited Esther  
Madel, finding her a very  
very warm person indeed.  
She was absolutely desperate  
to demonstrate warmth to you  
by extending it to one who  
brought her regards from you.

I have been enjoying my  
visit + things are developing  
satisfactorily even if not along  
the originally envisaged lines.
