New York, New York

Dear Sylvia:

Thank you for your letter of 8 June 1968. I certainly agree with you regarding the importance of finding out what happened in Dallas and the relationship of that information to the continuing crisis that this country finds itself involved in.

If you have any specific thoughts regarding an article that I might prepare for The Minority of One regarding the assassinations, please let me know. Possibly, I could get copies of the autopsy reports on Martin Luther King and Robert F. Kennedy and discuss the three assassinations from the standpoint of a forensic pathologist. Perhaps we could collaborate on an article?

With kindest regards.

Sincerely,

Cyril H. Wecht, M.D., LL.B.
