June 12, 1968

Dear Mrs Meagher,

I write to tell you that at present Dr Conor Cruise O'Brien is in Europe where he will remain until the beginning of September. I have sent him a copy of your memorandum of June 10, together with a copy of your article in the June issue of THE MINORITY OF ONE. I know he would want to see both pieces as soon as possible.

Yours sincerely,

Eileen Sheerin

Mrs Sylvia Meagher,
302 West 12th Street,
New York,
