

4/4/68

Dear Menahem —

You remember that I sent you a piece on the "Texas Court of Inquiry" and the Warren Commission, on 12/30/67.

Just to avoid any possible misunderstanding, I thought I should tell you that I am trying to place it for publication, perhaps in SET or Esquire or Playboy, on the assumption that TMO can't use it. I meant to mention this when we talked last but I forgot. Okay?

Love,

Sylvain
