Mr. John Cloud
Phoenix, Arizona

Dear Mr. Cloud:

The Western Social Science Association will hold its annual meeting this year on the Arizona State University campus on April 29-May 1. Over two hundred twenty five sessions are scheduled. The one chaired by you, "New Light On The Dark Day In Dallas: The JFK Incident Revisited," will be held in SS 234 at 10:30 AM, Saturday, May 1. This always topical issue should attract a considerable audience. If necessary, we can shift it into a much larger room.

I look forward to your participation in our annual convention.

Sincerely,

William W. Phillips
