Mrs. ROBERTA (L. G.) HERRINGTON advised she lives at 7207 Hazel Road and her telephone number is EX. 1-5185, Dallas, Texas. She said her husband is employed at the downtown Lincoln-Mercury dealership which is located near the industrial area, close to the triple underpass.

She said that a week or so after November 22, 1963, he told her that one of the employees at downtown Lincoln-Mercury had remarked that LEE HARVEY OSWALD looked at a Lincoln Continental some time before the assassination and advised the salesman that he would be back later. She said she was not aware of whether or not OSWALD drove the car prior to looking at it.

She said she did not know OSWALD or RUBY or of any relationship between them and she did not know the name of the salesman or employee who furnished information to her husband.
