Date 7/13/64

Mrs. PAULETTE CAROTHERS advised she has been employed as a Processor in the Medical Photography Department of Methodist Hospital of Dallas, 301 West Colorado, Dallas, Texas, for over five years. She said she resides at 5200 Willis Avenue, Dallas, Texas.

Mrs. CAROTHERS said that sometime in, she believes, December 1963, she learned that ~~a piece of skull bone~~ had been brought to the Methodist Hospital of Dallas and was examined by JACK C. HARPER, M.D., and A. B. CAIRNS, M.D., the Chief Pathologist at the Methodist Hospital of Dallas. Mrs. CAROTHERS said this piece of skull bone was found near the site where President KENNEDY was assassinated, and was allegedly a piece of bone from President KENNEDY's skull. Mrs. CAROTHERS stated she learned of this, she believes, from WAYNE BOLLETER, the Chief Medical Photographer at Methodist Hospital of Dallas, who had taken two 35 millimeter color slides of this bone specimen.

Mrs. CAROTHERS said she did not see this bone specimen but saw the two 35 millimeter color slides which were taken by WAYNE BOLLETER.

Mrs. CAROTHERS advised she did not see any hospital photographs of President KENNEDY, and, other than the above two slides, saw only photographs of President KENNEDY that were available to the general public.

Regarding the above mentioned two 35 millimeter color slides, Mrs. CAROTHERS said she made mention of this to only one person and that was to Mrs. EVA MC CARTY, Hayward, California, who was visiting her in the early part of June 1964. She said that she told Mrs. MC CARTY that she saw a picture of a bone which someone said supposedly came from the skull of President KENNEDY and which piece of bone was found near the assassination site.

Mrs. CAROTHERS advised that Mrs. MC CARTY's sister-in-law, Mrs. RITA MC CARTY, was also visiting her at the same

time, and may possibly have overheard her mention the color slides to EVA MC CARTY. Mrs. CAROTHERS said she has not mentioned this to any other person.
